

Bedevilments are Transformed into the Promises

THE BEDEVILMENTS (page 52)		THE PROMISES (pages 83 & 84)
• We were having trouble with personal relations.		• We will lose interest in selfish things and gain interest in our fellow. Self-seeking will slip away.
• We couldn't control our emotional natures.		• We will comprehend the word serenity and we will know peace.
• We were prey to misery and depression.		• Our whole attitude and outlook upon life will change.
• We couldn't make a living.		• Fear of people and economic insecurity will leave us.
• We had a feeling of uselessness.		• That feeling of uselessness and self-pity will disappear.
• We were full of fear.		• We will intuitively know how to handle situations that used to baffle us.
• We were unhappy		• We are going to know a new freedom and a new happiness.
• We couldn't seem to be of real help to other people.		• No matter how far down the scale we have gone, we will see how our experience can benefit others. We will not regret the past nor wish to shut the door on it.
• And, most of all.		• We will suddenly realize that God is doing for us what we could not do for ourselves.
